

## The EEW 2010 Affiliate Partner Program – Join Now!

As a non-for-profit organization you can become an Affiliate Partner of the Energy and Environment Week (EEW) Conference + Expo. This gives you the chance to play an active role in shaping the event and raise the profile of your organization at no or very little cost to you.

### PROGRAM BENEFITS:

- the opportunity to become involved in the conference program with a seat on the program committee, by nominating a session chair and/or speaker from your group
- a free presence at the Expo on the Affiliate Partner Pavilion, or with your individual booth at the preferred rate of US\$15/sq.ft. (for booths of 100 sq.ft. and up)
- reduced conference admission for your staff and/or members
- logo branding on the EEW website and printed materials including show announcements, attendee invitations, program book and show directory
- recognition in pre- and post-show press releases

All we expect from your organization in exchange is that you help promote EEW through your channels as actively as you can.

If you are a non-for-profit organization and want to become an Affiliate Partner of EEW 2010 please contact us today at: [info@ee-week.com](mailto:info@ee-week.com) or call: +49-2802-9484840
